1. Reference your memo (SECOM-D-604), 9 Aug 1979, same subject.

2. The Compartmentation Subcommittee has reviewed the draft revision of DCID 1/11 and has no substantive changes. However, the following minor suggestions are offered for your consideration:

a. Basic DCID 1/11, page 2, NOTE 2b, lines 3 and 4:
Change to read: ". . . used for the acquisition, pro-
cessing, or exploitation . . ."

RATIONALE: Accuracy and to be in accord with similar change being recommended for the revised DCID 1/7.

b. All classified attachments: Add appropriate EO 12065 downgrading/declassification markings.

RATIONALE: Compliance with EO 12065.

c. Attachment 1: Classify paragraphs individually vice the "NOTE" at the end of the attachment.

RATIONALE: To be consistent with other attachments.

d. Attachment 5: Change the definition of "Unauthorized Disclosure" at the bottom of page 1 to read:
"Unauthorized disclosure means the compromise or possible compromise of intelligence information through public media disclosure. In cases involving espionage, the Subcommittee shall provide a damage assessment to the DCI at the conclusion of any investigation by the Federal Bureau of Investigation or when any espionage activity is disclosed."

RATIONALE: To delete reference to negligence or accident, which should continue to be handled administratively by the individual agencies, and to clarify the roles of the Subcommittee and the FBI in cases involving espionage.
